ALTA COSMÉTICA

## AQUA CLEANSER

Cleansing cream formulated with hydrating agents, removes the most resistant make-up, resulting in taut, deeply cleansed skin and leaving a pleasant sensation of well-being.

Ref.: 4532 - Presentation: 250 ml.

## AQUA TONIC

Moisturising tonic that restores skin balance. Enriched with BETAINE and ALOE VERA, it repairs and regenerates the dermis, leaving skin soft and radiant.

Ref.: 4533 - Presentation: 250 ml.

## AQUA CREAM

Daily moisturising cream, magnificent for recovering the optimal moisture level for dry skin. Easily absorbed, with a non-greasy finish.

Ref.: 4534 - Presentation: 50 ml.

Ref.: 4535 - Presentation: 200 ml.

## AQUA NUTRITIVE

Cream for use at night with a creamy texture that camouflages with the stratum corneum of the skin to create a protective film. Easily absorbed, with a non-greasy finish. Skin is repaired, with a deep, long-lasting nourishment.

Ref.: 4536 - Presentation: 50 ml.

Ref.: 4537 - Presentation: 200 ml.

## AQUA PLUS

Vials with BOOSTER hydration effect. Enriched with ALOE VERA and VITAMIN E, they produce regenerative, restructuring effects to prevent and minimise wrinkles. The face recovers firmness and softness.

Recommended for use in spa treatments after peelings or extractions. Ionisable, given the negative pole.

Ref.: 4538 - Presentation: 6 x 3 ml.

# DELICATE PROGRAMME

## SENSITIVE SKIN AND COUPEROSIS

The DELICATE PROGRAMME combines PORCELAIN FLOWER EXTRACT (purifies and normalises the skin) and CAPPARIS SPINOSA (powerful anti-inflammatory and soothing agent), helping to recover the vital harmony of reactive skin with telangiectasias or irritated by environmental stresses.

A line that REDUCES IRRITATION, REDNESS, ITCHINESS AND FLAKING\*, resulting in a soothed, soft and elastic skin, protected from aggressions.

BEFORE

AFTER

After 4 weeks  
of treatment

\* Effectiveness study performed on 20 volunteers.  
Duration of the study: 4 weeks.  
Evaluation completed by professional cosmeticians.

## DELICATE CLEANSER

MICELLAR CLEANSING WATER combines the properties of a tonic with those of a gentle make-up remover. An exclusively developed formula, it neither causes drying or tautness. Deeply cleanses the skin and removes even the most resistant make-up. Also usable for removing make-up from children (Mardi Gras, end-of-term productions, etc.).

Skin is clean, hydrated, decongested and soothed after using it. Soothes altered skin.

Ref.: 4528 - Presentation: 250 ml. spray

## DELICATE CREAM

Special cream for irritated, reddened or sensitive skin. Incorporates a new emulsifying system that camouflages with the lipid composition of the skin. Ideal for withstanding brusque changes of weather. A perfect combination of active ingredients allows sensitive skin to recover its well-being.

Ref.: 4529 - Presentation: 50 ml.

Ref.: 4530 - Presentation: 200 ml.

## DELICATE SERUM

An emulsion that is normalising and nourishing, with a fresh, delicate scent and non-greasy texture. Formulated to renew the skin and achieve a repairing, relaxing action. Decreases symptoms of irritated skin, like redness, flaking, tautness or stinging.

Ref.: 4531 - Presentation: 50 ml.

## ARMONY PROGRAMME

### GREASY AND ACNE-PRONE SKIN

IN JUST 4 WEEKS, REDUCES 48% OF THE PRODUCTION OF OIL/GREASE

ARMONY, a complete beauty ritual de for treating greasy, combination and/or acne-prone skin. The prebiotic action of its main active ingredient guarantees the equilibrium of skin flora. This active ingredient is the perfectly synergetic combination of components of vegetable origin, such as the MANUKA concentration and WILLOW extract, enriched with SALICYLIC DERIVATIVES. The LILY FLOWER extract enriched with VITAMINE A and ZINC SULPHATE helps to normalise excess grease, purify, moisturise and leave a matte finish, while repairing and soothing the skin.

\* Effectiveness study performed on 20 volunteers.  
Duration of the study: 4 weeks.  
Evaluation completed by professional cosmeticians.

LEVISSIME  
ALTA COSMÉTICA

## ARMONY CLEANSER

Cleansing gel, specifically for greasy or acne-prone skin, for thoroughly removing make-up. Carefully removes all traces of make-up, purifies the skin, gently unclogs pores, and gets rid of excess shine, without altering the skin's PH. Skin breathes again, clean, matte and soothed.

Ref.: 4539 - Presentation: 250 ml.

## ARMONY TONIC

Hydro alcoholic tonic, acts by purifying the skin, leaves a matte-finish, combats clogged pores and minimises their size. Gently removes dirt from skin without any irritating effects. Leaves a very pleasant soothing, fresh sensation.

Ref.: 4540 - Presentation: 250 ml. spray

## ARMONY CREAM

Very light, non-greasy moisturising cream, easily absorbed by the skin. Acts upon the factors involved in the appearance of acne-prone skin by correcting excess grease. Gives skin back its vitality and uniformness, achieving a matte-finish.

Ref.: 4541 - Presentation: 50 ml.

Ref.: 4542 - Presentation: 200 ml.

## ARMONY SERUM

Light serum that is easily absorbed, helps to restore the skin's equilibrium, moisturising dry areas. Its powerful formula is capable of controlling the microbiologic proliferation produced by acne. Gives the skin a matte-finish, and leaves a long-lasting sensation of freshness and pureness.

Ref.: 4543 - Presentation: 50 ml.

## ARMONY MASK

Innovative, purifying mask, with an in-depth action upon imperfections. Absorbs excess grease and completely purifies the skin. Skin is more soothed, uniform and without redness. Results in a long-lasting matte-finish and a pleasant sensation of freshness and cleanliness.

Ref.: 4544 - Presentation: 200 ml.

### ARMONY STICK

Gel that dries acne and corrects blackheads. Highly purifying and drying, a transparent gel that specifically acts upon imperfections-acne, helping these to quickly disappear. Thanks to its exclusive selection of active ingredients, preventing the formation of comedones. When imperfections-acne disappear, the skin is healthy, balanced and uniform.

Ref.: 4545 - Presentation: 30 ml - Display case 24 units

Prolonging the youth of your gaze over time requires specific products that care for the eye contour. Completing this facial treatment beautifies your eyes, contributing luminosity and clarity to a perfectly harmonious gaze. Features are more rested and regain their youth.

## TWO-PHASE MAKE-UP REMOVER

Two-phase make-up remover specially created for the eyes and lips. Easily removes all traces of make-up, even water-resistant products, without leaving skin with a greasy sensation. Perfectly usable for sensitive eyes and contact lens wearers.

Formulated with BETAINE and PANTHENOL to moisturise and soothe the eye area, in addition to protecting and strengthening eyelashes.

Skin is cleansed of impurities, with a uniform, matte-finish and a pleasant sensation of relaxation and moisture.

Ref.: 5373 - Presentation: 250 ml.

## EYE LIPS CONTOUR CREAM GEL

Treatment specifically for the eye and lip contour areas, boosted with CODIUM TOMENTOSUM EXTRACT, HYALURONIC ACID and ELASTIN, to regenerate, nourish and hydrate the eye contour area. Prevents and protects against premature ageing. Soften bags under the eyes and prevent the upper lid from falling.

Visibly minimises expressions and illuminates one's gaze. Gives skin plentitude, leaving it firm again and with a balanced hydration for the entire day.

Ref.: 5422 - Presentation: 15 ml.

CERAMIC APPLICATOR

SENSATION OF FRESHNESS

## EYE BALSAM

INCREASES EYE CONTOUR MOISTURE BY 13.5%\*.

Anti-ageing, concentrated balsam for the eye contour. Prevents and reduces bags and dark circles under the eyes. Designed to correct the visible signs of time: wrinkles, expression lines, and loss of luminosity, as it gives the eye contour a luminous effect. The formula includes CAFFEINE for a draining effect, eliminating signs of fatigue, bags, dark circles, and MATRIKINAS for boosting firmness and tone of the eye contour.

EYE BALSAM containing LOW MOLECULAR WEIGHT HYALURONIC ACID that assures the skin's optimal moisture. Its special ceramic applicator adds a sensation of freshness.

Its results are visible after just a few applications, reducing bags, dark circles and expression lines. Reduced bags under eyes are visible after 15 days of use, and this effect lasts while the balsam is used.

Ref.: 5878 - Presentation: 15 ml.

\* Effectiveness study performed on 20 volunteers.  
Duration of the study: 3 months.  
Evaluation completed by professional cosmeticians.

The WHITE DIAMOND line reconstructs and reinforces the skin's vital functions, improving elasticity and reshaping the face's oval.

Based on the properties of WHITE TRUFFLE extract, known as the "WHITE DIAMOND", it is a sequential treatment of skin renewal and prevention. Recommended for renewing mature skin and as a preventive treatment for younger skin.

### WHITE DIAMOND CREAM

Moisturising cream that acts on the essence of youth, our cells, improving their functionality, cohesion and respiration, given the skin a completely new appearance. Contains a MOISTURISING ACTIVE INGREDIENT and a TETRAPEPTIDE capable of redefining and restructuring the facial oval.

Ref.: 5477 - Presentation: 40 ml.

### WHITE DIAMOND SERUM

Serum with excellent regenerating, anti-ageing and protection properties. Contains COLLAGEN and LOW MOLECULAR WEIGHT HYALURONIC ACID, increasing the synthesis of collagen and contributing great moisturising power. Skin is more radiant, without imperfections. The face recovers firmness and softness.

Ref.: 5476 - Presentation: 40 ml.

# LONGEVITY PROGRAMME

## SKIN STEM CELL RENEWAL

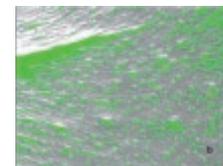

Magnificent results certified by the Pharmaceutical Technology Department of the University of Valencia, as it SIGNIFICANTLY IMPROVES THE SKIN'S SURFACE AFTER 15 DAYS OF USE. REDUCES WRINKLES BY 87%\*. SIGNIFICANTLY IMPROVES THE SKIN'S SURFACE AFTER 15 DAYS OF USE.

LONGEVITY, based on the STEMNESS RECOVERY COMPLEX™ technology, acts by improving the environment of the skin's stem cells. This improves their functioning, delaying premature ageing and preserving the skin's stem cell population.

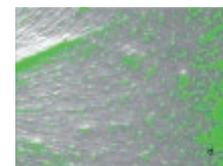

The star active ingredient of the line is a PEPTIDE (improves the functionality, conserves the population and prevents the ageing of stem cells) combined with other, powerful active ingredients, such as STABILISED VITAMIN C (increases collagen synthesis, has an antioxidant effect and unifiers skin tone), YEAST EXTRACT (improves cell oxygenation) and LOW MOLECULAR WEIGHT HYALURONIC ACID (maintains the skin's optimal moisture level).

## STOP 30 PROGRAMME

WRINKLE PREVENTION. TOTAL SKIN PROTECTION

State-of-the-art advances have allowed us to develop a three-step treatment that, applied on skins as of age 30, allows for lengthening cell life and protects these from external aggressions. An efficient combination of active ingredients like ARTEMIA EXTRACT (rich in guanine nucleotides that neutralise daily aggressions to prevent skin ageing), HYDROLYZED CORN STARCH (synergistic complex of vegetable origin that assures the skin is properly moisturised) and LOW MOLECULAR WEIGHT HYALURONIC ACID.

State-of-the-art facial treatment programme for TOTAL SKIN PROTECTION AND RENEWAL, giving us the essence of life with an unlimited capacity for renewal.

## CARE CREAM

Most advanced moisturising cream that prevents the formation of wrinkles and expression lines on the face, neck and neckline. Its powerful, latest-generation formula acts on different levels of the skin, extending cellular longevity and increasing the protection of DNA, augmenting the skin's defences.

Highlights the skin's radiance by keeping it moisturised, protected and dissimulating any imperfections. Eliminates signs of fatigue.

Ref.: 5615 - Presentation: 60 ml.

## INTENSE SERUM

Concentrated serum of an ultralight texture. Protection from the action of free radicals and intervention in the activities of skin proteins, extending their longevity. It immediately reduces wrinkles and expression lines, making the face, neck and neckline radiant.

Results include softness, luminosity and firmness, unifying skin tone.

Ref.: 5616 - Presentation: 15 ml.

## EYE PROTECTOR

Specific treatment for the eye contour. Contains ELASTIN, reinforcing the skin's mechanical composition and providing elasticity and firmness.

Eliminates signs of fatigue and illuminates your gaze.

Ref.: 5617 - Presentation: 15 ml.

## STOP 30 PACK

Contains three products specifically for treating the face, neck, neckline and eye contour. The synergy of the components of the professional STOP 30 programme offers TOTAL SKIN PROTECTION.

# WHITE<sup>2</sup> PROGRAMME

WHITENING, CLARIFYING AND ANTI-FATIGUE

REDUCTION OF SPOTS BY 38%\* IN 8 WEEKS AND BY 79%\* IN JUST 9 MONTHS.

WHITE<sup>2</sup> is a complete line that unifies whitening and clarifying active ingredients with the anti-fatigue action of glycation.

Glycation is responsible for the skin's ageing process, provoking the loss of elasticity, decreasing the production of collagen, elastin and cellular activity.

Its state-of-the-art formula permits year-round use of all of the products.

WHITE<sup>2</sup> includes OCTADECENEDIOIC ACID and PERSIAN SILK TREE extract, a combination offering a clearly visible clarifying effect after two weeks of use. Reduction of spots by 38%\* in just a few weeks. Renews skin texture through continuous exfoliation, making skin luminous, radiant and full of vitality.

\* Effectiveness study performed on 20 volunteers.  
Duration of the study: 9 months.  
Evaluation completed by professional cosmeticians.

LEVISSIME  
ALTA COSMÉTICA

## **WHITE<sup>2</sup> CREAM - SPF 20**

Whitening, clarifying cream based on the most advanced technology, lightens the skin tone and reduces the spots caused by solar radiation, ageing, hormonal imbalances or acne scars. The PERSIAN SILK TREE extract reduces glycation, minimising signs of fatigue.

Skin becomes uniform, moisturised, whitened and with fewer spots and imperfections. Leaves a pleasant sensation of freshness and well-being.

Ref.: 4546 - Presentation: 50 ml.

Ref.: 4547 - Presentation: 200 ml.

## **WHITE<sup>2</sup> SERUM - SPF 20**

An innovative formula serum that selectively inhibits collagen synthesis, reducing spots and unifying the skin tone. Easily absorbed. Through their corresponding functions, it fuses together the action of whitening, clarifying active ingredients with the anti-fatigue action, visibly reducing the intensity and size of spots, fully recovering the skin's luminosity.

Ref.: 4548 - Presentation: 50 ml.

## **WHITE<sup>2</sup> MASK**

Whitening, clarifying mask that thanks to its innovative snow textures, melts into the skin, helping to minimise spots and hyperpigmentation. Its whitening and anti-fatigue active ingredients achieve a uniform skin tone.

It spectacularly improves the skin's appearance, making it extraordinarily radiant and soft, and unifies the skin tone.

Ref.: 4549 - Presentation: 200 ml.

# ARGAN LINE PROGRAMME

## FACIAL HYDRATION AND NUTRITION

ARGAN LINE is a beauty ritual using natural ingredients like ARGAN OIL, MACADAMIA OIL and BROWN SUGAR CRYSTALS as exfoliating particles to provide the elements that keep skin radiant, toned and healthy.

Innovative for its metamorphic products, which change texture during the ritual.

Recommended for all skin types. Ideal for flaky, dry skin. Provides greater protection and hydration for sensitive skin.

## FACIAL EXFOLIANT

Facial exfoliating oily gel. Thanks to its innovative formula comprised of natural active ingredients, it cleanses, oxygenises, moisturises and softens the skin, leaving it radiant and healthy. After applying the product on the skin, spray with ARGAN TONIC. This causes the product to undergo a metamorphic process that converts the gel into a fluid milk for easy removal with a tissue.

Ref.: 5334 - Presentation: 100 ml.

## ARGAN TONIC

Facial tonic, with a formula based on oil extracts and moisturising active ingredients, keeping skin hydrated all day. It provides elasticity, turgidity and tonicity.

Ref.: 5335 - Presentation: 250 ml.

## ARGAN FACIAL CREAM

Thanks to its innovative internal structure, it presents excellent moisturising properties that improve the skin's appearance and which act together with BEECH EXTRACT to improve and reduce the skin's micro-layer. Permits the oxygenation and reparation of the skin, contributing elasticity and turgidity.

Ref.: 4509 - Presentation: 50 ml. - Display case 24 units

## PEEL OFF MASK

With ARGAN oil, creates a plastic film on the skin for better penetration of the active ingredients. Contains a MOISTURISING COMPLEX that guarantees skin that is more firm, hydrated, radiant and protected.

Ref.: 5336 - Presentation: 100 ml.

## HOME SPA FACIAL PACK

Recommended for all skin types. Ideal for flaky, dry skin. Provides greater protection and hydration for sensitive skin. For problem-free skin, the treatment is recommended for prevention, as it acts by improving hydration and reducing the skin's micro-layer.

The pack includes:

- FACIAL EXFOLIANT - 100 ml.
- ARGAN TONIC - 250 ml.
- ARGAN FACIAL CREAM - 50 ml.
- PEEL OFF MASK - 100 ml.

Ref.: 5330 - Presentation: Home Spa Facial Pack

## FACIAL MOISTURISERS AND FIRMING PRODUCTS

Skin remains young, tense and healthy thanks to the production of COLLAGEN, ELASTIN AND HYALURONIC ACID. The inevitable passage of time results in a loss of hydration that causes dull, more flaccid skin and the formation of expression lines and wrinkles.

Our products are capable of penetrating skin layers more deeply and generating skin repair processes.

### MULTIACTIVE CREAM

Multiactive cream that reduces wrinkles and expression lines. Improves and unifies skin tone. Increases the skin's softness and flexibility. Its high content of LOW MOLECULAR WEIGHT HYALURONIC ACID contributes to improving the skin's lipid barrier, increasing hydration. CAVIAR EXTRACT favours the generation of collagen, and makes skin radiant, revitalised and firm. Recommended for dull, dehydrated, rough-looking skin with wrinkles.

Ref.: 5614 - Presentation: 50 ml. - Display case 24 units

### HYDRACOLOR CREAM

Daily moisturising cream with colour. Light texture and quickly absorbed, its formula is enriched with COLLAGEN, providing skin with hydration, turgidity and flexibility. The COLOR PIGMENTS offer a natural tone.

HYDRACOLOR is recommended for persons who usually do not wear make-up for hydrating and improving the appearance of their skin with a very natural tone, similar to the skin. Conceals small imperfections and redness.

Ref.: 5648 - Presentation: 50 ml. - Display case 24 units

## SILK MILK SERUM

Intensive facial serum, with a corrective action that acts as a shock treatment for all skin types demanding immediate and long-lasting hydration, thanks to its highly efficient, hydro-regenerating, moisturising action. Combines VITAMINE F (redensifies skin), 100% NATURAL SILK PROTEINS (for softness) and MOISTURISING LIPOSOMES that make a dry, flaccid face become soft and smooth. The complexion becomes radiant.

Ref.: 5424 - Presentation: 50 ml.

## MOISTURISING HYDROREGENERATING KIT

Revolutionary kit that returns the skin's best appearance. Recommended for all skin types demanding immediate and long-lasting hydration, thanks to its highly efficient, hydro-regenerating, moisturising action.

It is comprised of three products:

- ALOE & SILK CLEANSER MILK - 125 ml.
- ALOE & SILK HIDROTONIC - 125 ml.
- SILK MILK SERUM - 50 ml.

Ref.: 5646 - Presentation: Kit with 3 products

## FACIAL MOISTURISERS AND ANTI-WRINKLE PRODUCTS

Renewing and regenerating the skin is truly important for achieving a younger, healthier and longer lasting appearance.

The anti-ageing products repair damaged membranes, improve cellular respiration and offer a remodelled, radiant face.

### **SNAKE VENOM CREAM**

Facial smoothing cream that contains an ANTI-AGEING PEPTIDE that acts in the same way as one of the components found in the SNAKE VENOM of the TEMPLE SNAKE. Its proven effect inhibits muscular contractions, diminishing expression wrinkles, similar to Botox but without side effects. Fills in wrinkles and COLLAGEN contributes to greater firmness. Contains sunscreen. Given its high degree of penetration, it does not leave a greasy sensation on the skin. Recommended for mature skin types.

The lifting effect is immediate. Moisturising factors protect the skin all day. The effect is silky skin that lasts, visible as of the initial application.

Ref.: 5649 - Presentation: 50 ml.

## BB + CREAM

AN INSTANT TOUCH OF PERFECTION FOR THE FACE, IN ADDITION TO INCREASING SKIN MOISTURE BY 21.75%\*. It acts globally against signs of ageing and protects from stress, thanks to the active ingredient TEPREZONE. It unifies skin tone, moisturises, hydrates, illuminates, firms, extends cell life, reduces hyperpigmented blemishes and minimises dilated pores. Its formula includes HYALURONIC ACID and STABILISED VITAMIN C. With SPF 15 sunscreen. Recommendable for all ages.

BB + CREAM acts on both external and internal levels:

### EXTERNAL LEVEL:

- Radiant skin, without shine nor a greasy sensation.
- Uniform tone.
- Conceals small imperfections.

### INTERNAL LEVEL:

- Overall anti-ageing effect.
- Skin that is toned, moisturised and protected from solar radiation.
- Reduces blemishes and dilated pores.
- Improves tissue quality.

Ref.: 5372 - Presentation: 30 ml. - Display case 24 units

\* Effectiveness study performed on 21 volunteers.  
Duration of the study: 4 weeks.  
Evaluation completed by professional cosmeticians.

## CORRECTIVE CREAM FOR WRINKLES

Moisturising-hydrating cream without a greasy texture, firms and deeply nourishes the skin. Contains low molecular weight HYALURONIC ACID that contributes to improving the skin's lipid barrier and boosting collagen generation. Likewise, the CAVIAR EXTRACT tones the skin. Recommended for dull, dehydrated, mature skin with wrinkles.

This splendid combination of active ingredients renovates tissues on a deep level, regenerating and oxygenising skin, making it more toned, decreasing wrinkles and expression lines, increasing hydration and augmenting elasticity.

**Ref.:** 5647 - **Presentation:** 200 ml.

## VITA C CREAM

INCREASES SKIN MOISTURE BY 53% IN JUST FOUR WEEKS\*.

Its formula with low molecular weight HYALURONIC ACID hydrates the skin's moisture level to keep it young, and the encapsulated VITAMIN C has a powerful antioxidant effect, increasing collagen synthesis, protecting from UV radiation and controlling hyperpigmentation of the skin, resulting in more uniform, radiant skin.

Recommendable as of age 30. It gives skin back all of its luminosity and vitality, giving it moisture, firmness, elasticity and tonicity.

**Ref.:** 4522 - **Presentation:** 50 ml. - Display case 24 units

\* Effectiveness study performed on 20 volunteers.  
Duration of the study: 4 weeks.  
Subjective evaluations performed on 24 volunteers.  
Evaluation completed by professional cosmeticians.

### ROSE HIP OIL

100% NATURAL ROSE HIP oil for facial and body use, with a great regenerating power that improves the healing of scars. Its broad spectrum of benefits include combatting the effects of photo ageing, rehydrating dry skin, stimulating the skin's peripheral circulation, improving stretch marks and blemishes, regenerating the skin after an aggression, use of devices, burns or scarring.

Skin gains elasticity and firmness. Its hydrating-moisturising action stimulates collagen synthesis, minimising wrinkles and expression lines.

Ref.: 5425 - Presentation: 50 ml.

### TENSILE SKIN SERUM

Anti-ageing serum with an exquisite formula that includes LIPOSOMES (regenerates and moisturises skin, stimulates the processes of cell protection and regeneration, VEGETABLE PEPTIDES (smoothing effect) and RECONSTITUTED VEGETABLE PLACENTA (anti-ageing, anti-fatigue effects). Especially for the neck and face of flaccid, mature skin with wrinkles or loss of vitality.

Skin gains elasticity and firmness. Skin is renewed. Your skin becomes luminous and seductive.

Ref.: 5423 - Presentation: 50 ml.

### TENSOR KIT

Revolutionary kit that returns the skin's best appearance. Recommended for all skin types demanding an immediate and long-lasting smoothing effect, thanks to its highly efficient, moisturising and firming active ingredients.

It is comprised of three products:

- ALOE & SILK CLEANSER MILK - 125 ml.
- ALOE & SILK HIDROTONIC - 125 ml.
- SILK MILK SERUM - 50 ml.

Ref.: 5645 - Presentation: Kit with 3 products

### FLASH ACTIVE

Biologic SHOCK ampoules. Its formula with VEGETABLE PEPTIDES increases the skin's elasticity, reduces expression lines and eliminates spots. These stretch the skin without rebound effects. Ideal as a long lasting make-up base. Perfect for any age.

Optimally corrects dullness, illuminating the skin and visually eliminating imperfections. Minimises the size of pores and makes skin silky to the touch. The lifting effect is immediate.

Ref.: 5432 - Presentation: 2 x 2 ml. - Display case 96 units

### COLLAGEN PLUS

Veil containing MARINE COLLAGEN to rehydrate the skin, stimulating cellular regeneration and decreasing wrinkle depth. Specifically for preventing and repairing the signs of ageing, as ELASTIN allows the skin to recover its firmness, elasticity and tonicity.

COLLAGEN PLUS is fully compatible with skin cells and is assimilated by all skin types, even the most sensitive. Recommended for skins as of age 25 to prevent wrinkles and premature ageing. Furthermore, ALOE VERA refreshes and regenerates the skin.

Ref.: 5741 - Presentation: 2 x 18 ml.

## FACIAL VIALS

Facial vials are products specifically for exclusive use by professional cosmeticians.

Their high concentration of active ingredients is ideal for spa treatments, and results are spectacular.

Use in spa treatments after peelings or extractions.

LEVISSIME vials are ionisable, given the negative pole (except for HIDRAPLUS and ASTRINGENT COMPLEX).

### DERMOCOMPLEX

Multifunctional, revitalising facial ampoules for all skin types as of age 25. It permits a complementary and corrective restoration of the dermis, given its highly varied composition. Maintains the skin in perfect condition for over 8 hours. CAMOMILE EXTRACT helps reduce signs of fatigue.

Its low molecular weight HYALURONIC ACID, capable of penetrating the deepest layers, assures the skin's optimal moisture. The face becomes full of energy, vitality and radiance. Tissues gain firmness, thanks to the MARINE COLLAGEN and ELASTIN, improving one's appearance.

Ref.: 5948 - Presentation: 6 x 3 ml.

Ref.: 5426 - Presentation: 24 x 3 ml.

## TENSOACTIVE FACE

Facial, firming ampoules that act immediately to combat the signs of ageing skin on the neck, neckline and face. Its total firming effect crosses the most internal layers of the skin through to the most superficial. Recommended for mature skin types. Two of its main active ingredients, COLLAGEN and IVY EXTRACT, offer firming effects, lift and define the facial contour, illuminate the skin, improve the appearance of the neckline, immediate smoothing effect, softens wrinkles.

Ref.: 5949 - Presentation: 6 x 3 ml.

Ref.: 5431 - Presentation: 24 x 3 ml.

## HIDRAPLUS

Deep moisturising ampoules. Its high VITAMINE A (cellular regeneration), VITAMIN E (anti-oxidant and free radicals) and RETINOL content cause a regenerating and restructuring effect that prevents and softens wrinkles, making skin soft and smooth.

Not ionisable due to being a microemulsion.

The face becomes smoother and youthful.

Ref.: 5947 - Presentation: 6 x 3 ml.

## SENSITIVE VITAL

Biocalming vials that moisturise and protect the skin. Comprised of VEGETABLE EXTRACTS (Chamomile, Witch-Hazel, Calendula, Horse Chestnut, Orange Blossom and Lemon Balm) and hydrosoluble VITAMINE A, these are recommended for reactive and sensitive skin that suffer from pollution and environmental aggressions.

They help protect the skin from damage caused by external aggressions (sun, wind, cold).

Gives the skin a calming effect, leaving it soft and improving tonicity.

Ref.: 5946 - Presentation: 6 x 3 ml.

## ASTRINGENT COMPLEX

Astringent ampoules for greasy or acne-prone skin. Normalises the secretion of grease and smoothens the skin. The anti-inflammatory active ingredients heal scars and exert an antibacterial action.

Not ionisable due to containing alcohol.

Calm, healthy and balanced skin.

Ref.: 5950 - Presentation: 6 x 3 ml.

# SUBLIME MASK

## ALGINATE MASKS

End cosmetic programmes with a solution adapted to the specific needs of each skin type. SUBLIME MASK is a line of extemporary, soluble masks, composed of ALGINATE POWDER and a series of SOLUTIONS to complement or reinforce spa treatments performed by cosmeticians.

SUBLIME MASK offers the possibility of customising your treatments to achieve unbeatable results and the client's satisfaction. Recommended for all skin types.

### SUBLIME MASK DIAMOND

Its innovative composition balances mature, damaged skin. It acts upon the architecture of the dermis, attaining a redefining and restructuring effect. Increases collagen synthesis, provides greater firmness, elasticity, tonicity and density.

Ref.: 4515 - Presentation: 3 x 70 ml. Solutions + 3 x 30 ml. Alginate Powder

## SUBLIME MASK VITA C

Its effective combination of active ingredients boosts the anti-oxidant action and delays the skin's ageing. Increases collagen synthesis, protects against UV radiation and controls the skin's hyperpigmentation. It gives skin back all of its luminosity and vitality.

Ref.: 4516 - **Presentation:** 3 x 70 ml. Solutions + 3 x 30 ml. Alginate Powder

## SUBLIME MASK AQUA

This synergetic complex of active ingredients derived from plants improves the skin's moisture after a single application. It smoothens the skin's imperfections, softens pronounced characteristics and highlights the skin's natural splendour.

Ref.: 4517 - **Presentation:** 3 x 80 ml. Solutions + 3 x 30 ml. Alginate Powder

## SUBLIME MASK LONGEVITY

Revolutionary formula based on the STEMNESS RECOVERY COMPLEX TECHNOLOGY, it improves the environment of the skin's stem cells, improving their functionality. Delays premature ageing and preserves the skin's stem cell population. Provides luminosity, uniformness and hydration.

Ref.: 4518 - **Presentation:** 3 x 70 ml. Solutions + 3 x 30 ml. Alginate Powder

## SUBLIME MASK DELICATE

Helps recover the skin's vital harmony and delicate balance. Formulated with calming, hydrating, softening and relaxing products, it protects the skin from external aggressions and keeps it protected.

Ref.: 4519 - **Presentation:** 3 x 70 ml. Solutions + 3 x 30 ml. Alginate Powder

# LASH PERM PROGRAMME

## LASH PERMANENT

Enhance and intensify the look of your eyes with LASH PERM.

LASH PERM curls your lashes. Achieve an effect of length and curvature as if wearing mascara. With the advantage of lasting longer.

It is comprised of two products:

- LASH PERM GEL (permanent gel)
- LASH PERM NEUTRALIZER (neutralising cream)

Including active ingredients like HYALURONIC ACID and PANTHENOL to moisturise, calm and protect lashes. LASH PERM is compatible with the eye area and skin.

This programme is specifically for exclusive use by professional cosmeticians. This spa treatment takes only 30 minutes. LASH PERM last approximately between 6 and 8 weeks.

Intensify your look, gaining expressivity and vitality.

**Ref.:** 4502 - **Presentation:** 4 blisters / 12 treatments

## LASH COLOR

Use LASH COLOR to give your look a natural, subtle depth and luminosity, without wearing mascara.

Includes active ingredients like HYDROLISED WHEAT (conditions and maximises colour intensity and fixation) and BOSWELLIA SERRATA GUM (exerts a calming, anti-irritant effect), offering lashes protection, hydration and conditioning.

The result is precise and professional, achieving a dyeing duration of up to 6 weeks. Recommendable for any age.

LASH COLOR is available in the following tones:

Ref.: 4500 Black - 4501 Brown - 4506 Light Brown - 4507 Graphite - 4508 Bluish Black - **Presentation:** 24 x 15 ml.

## LASH PROTECTOR

Protector cream, specially designed for the eye contour. Prevents skin from becoming dyed if in contact with the lash dye. Skin is protected and clean after applying the lash dye.

Ref.: 4505 - **Presentation:** 50 ml.

## LASH ACTIVATOR

6-volume oxidant cream, exclusively for LASH COLOR dye.

Ref.: 4504 - **Presentation:** 90 ml.

# EXFOLIANTS

LEVISSIME  
ALTA COSMÉTICA

EXFOLIANTS

Exfoliation is a very important step when caring for the skin.

Exfoliants are frequently used products by cosmeticians to help us eliminate impurities from the dermis through chemical or physical action, performing a thorough cleansing.

Using them improves the appearance of our sun-damaged skin, diminishes wrinkles and improves acne scars, or helps us to get rid of blemishes.

### GLYCOLEV (Facial)

An intensive exfoliant presented in monodose ampoules in the form of a light gel. A non-aggressive exfoliation of dead cells accumulated on the skin's surface. The ampoules contain a high concentration of GLYCOLIC ACID, buffered to pH 4.5-5 wherefore they are very safe and prevent the risk of burns or causing any wounds. Recommendable for all skin types, including delicate and sensitive skins.

GLYCOLEV offers an infinity of benefits:

- Non-irritant to the skin. Perfect for all skin types, in addition to renewing mature skin.
- Boosts the penetration and absorption of the remaining facial treatment products.
- Produces greater desquamation in areas of wrinkles and spots.
- Visibly reduces dilated pores.
- Softens, renews and smoothens the skin's texture.
- Velvety, radiant skin.

In addition to leaving the skin thoroughly receptive and clean, it visibly reduces dilated pores, softens, renews and smoothens skin texture, leaving skin velvety and radiant.

Ref.: 5945 - Presentation: 6 x 3 ml.

## PACK PULLING OUT (Facial)

This innovative system that acts on enzymes facilitates the extraction of comedones without requiring the uncomfortable use of vapour.

It comprises two phases of extemporary preparation.

The ENZYMATIC COMPLEX (extracted from fruits) purifies and frees obstructions from peripheral areas of the pores, eliminating dead cells and facilitating the extraction. The gel base with HYALURONIC ACID and CAMOMILE EXTRACT (calm and moisturise the skin, preparing it for the cleansing process) acts as a conductor and conditioner, minimising possible side effects resulting of the enzymatic process.

Recommendable for all skin types, including delicate and sensitive skins.

Skin is perfectly clean, fresh, purified and renewed.

Ref.: 5278 - Presentation: 6 base sachets + 6 enzymes sachets

### **PEELING PAPAIN (Facial and Body)**

Enzymatic exfoliant with PAPAINE (cleansing enzyme) that cleans from inward outward, simultaneously eliminating dead cells from the epidermis. The PAPAYA EXTRACT stimulates microcirculation, activates cellular regeneration, acting as a moisturiser and humectant formula the treated skin areas. Recommendable for all skin types, including delicate and sensitive skins.

It is recommendable for the entire body, used in treating the breasts, given that this is a delicate area. Skin is renewed and the face gains luminosity. Leaves a pleasant sensation of softness and elasticity.

**Ref.:** 5419 - **Presentation:** 200 ml.

## PEELING SCRUB (Facial and Body)

Exfoliant based on the descaling JOJOBA pearls, recommendable for eliminating dead cells from the epidermis through a soft, dragging action. Stimulates microcirculation, moisturises the skin and, especially, prepares the skin for better absorption of active ingredients. In its formula, KAOLIN offers a very pleasant sedating, refreshing effect that helps one relax. Recommendable for facials of coarse skin or which have not undergone any treatment or care in years. Recommended for body treatment of all skin types.

The result is soft, flexible, silky and totally renewed skin.

Ref.: 5417 - Presentation: 200 ml.

BODY COSMETICS

### REDUCE VOLUME BY UP TO 1 SIZE

Waist and Abdomen area > **5 cm.**

Hip area > **5 cm.**

Thigh area > **3 cm.**

LEVISSIME has developed the SCULPTIST PROGRAMME, comprised of a series of innovative and professional products designed for remodelling the silhouette, improving circulation and combatting all types of cellulite, from its initial manifestations to the most rebel and localised appearance, smoothing orange peel skin in conflictive areas, such as thighs, abdomen, hips and knees.

The effectiveness of Sculptist is based on an exclusive combination of active ingredients, like FOCUS EXTRACT (decongestant, reduces swelling, mobilises retained liquid in the treated areas and stimulates circulation, eliminating toxins), CAFFEINE (activates lipolysis), an innovative ENZYMATIC ACTIVE INGREDIENT (dissolves amorphous collagen surrounding the cellulite nodules, favouring elimination), PEPTIDE COMPLEX (lipolytic activity and reducing effect) which contribute toward and assure good skin hydration with low molecular weight HYALURONIC ACID.

The SCULPTIST programme is neither cold nor hot at any time and is reinforced by its exclusive application system that combines the most efficient manual techniques for dissolving cellulite and activating the lymphatic and circulatory system.

\* Effectiveness study performed on 20 volunteers.  
Subjective evaluations performed on 67 volunteers.  
Evaluation completed by professional cosmeticians.

## **SCULPTIST CREAM**

Cream specially designed for spa treatment massages.

Reduces cellulite and orange peel skin. Decreases the volume in the treated area and skin flaccidity gains firmness.

Ref.: 5254 - Presentation: 1000 ml.

## **SCULPTIST COVER**

An anti-cellulite body wrap that sculpts and purifies. Reinforced with COLLAGEN AND ASIAN CENTELLA EXTRACT, it stimulates collagen synthesis and activates blood circulation, exerting a powerful, lipolytic action to favour fat drainage. At the same time, it firms tissue and visibly improves the skin.

Ref.: 5253 - Presentation: 1000 ml.

## **SCULPTIST GEL**

Fast-absorption gel for home application. Facilitates the elimination of cellulite and contains a great reducing effect. Offers a decongestant effect, mobilises retained liquid in localised areas, stimulates circulation and eliminates toxins.

Ref.: 5255 - Presentation: 250 ml.

## REAFIRMANT PROGRAMME

Firm skin is the essence of a beautiful body. LEVISSIME has sought inspiration in the most innovative cosmetic advances to create a product range that combats the effects of time.

### REAFIRMANT CREAM

Firming cream that stimulates and revitalizes the skin's function to achieve skin that is more firm, elastic and toned. Complete formula comprised of active ingredients including, amongst others, VEGETABLE AND MINERAL OILS in addition to GINSENG EXTRACTS, ASIAN CENTELLA. Stimulates microcirculation and through massage favours the penetration of the natural ingredients.

The skin's appearance and texture improve, refirming and moisturising at the same time, thanks to its high quantity of COLLAGEN and ELASTIN. Remodels and smoothens the silhouette.

Ref.: 5400 - Presentation: 200 ml.

Ref.: 5402 - Presentation: 1000 ml.

## FRESH GEL

Cold, firming gel with hypothermic effect that remodels and tones.

This complex of VEGETABLE EXTRACTS (red grape, Asian centella, ginkgo biloba, ivy and fucus) has firming and reducing properties.

This formula has been created to complete the treatment with a remodelling-refirming massage, leaving a final, smoothing effect. Recommended for all flaccid body areas.

Refirms skin flaccidity and decreases volume and cellulite.

The decongestant effect results of its MENTHOL AND CAMPHOR.

Ref.: 5403 - Presentation: 200 ml.

Ref.: 5405 - Presentation: 1000 ml.

## TENSOACTIVE COMPLEX (Vials)

Potent refirming vials with high ELASTIN and COLLAGEN concentrations. Combines the best firming active and smoothing ingredients to achieve a total firming effect that crosses the most internal layers of the skin through to the most superficial. Ionisable, given the negative pole.

Recommended for all flaccid body areas. A lifting effect that results in firm and elastic skin.

Ref.: 5406 - Presentation: 12 x 10 ml.

### ANTI-STRETCH MARKS CREAM

A cream-gel formulated with a COMBINATION OF SEVERAL PEPTIDES that act effectively to reduce skin tension and which possesses healing qualities that help to diminish stretch marks and prevent their apparition.

Increases elasticity, firmness and softness of treated areas. Visible decrease of stretch marks in the affected area.

Ref.: 5342 - Presentation: 200 ml.

Ref.: 5343 - Presentation: 1000 ml.

### ANTIGRAVITY

Remodelling gel for arms combining a LIPODRAINING COMPLEX with the effects of ARTICHOKE AND ASIAN CENTELLA EXTRACTS for refirming and reducing the forearm and preventing the unsightly hanging skin in this area. The L-CARNITINE and GRAPE SEED OIL prevent the accumulation of fat and liquids, helping their elimination.

Firmer skin that is visibly firmed, silky and tought.

Ref.: 5839 - Presentation: 200 ml.

## ANTI-STRETCH MARKS CREAM + ROSE HIP OIL PACK

Programme created to combat the appearance of stretch marks or, when they are already present, to visibly eliminate these. The ANTI-STRETCH MARKS CREAM acts effectively by reducing skin tension and possesses healing properties. Its action is much more effective when combined with the regenerating and moisturising properties of ROSE HIP OIL (100% natural). Notably increases elasticity, firmness and softness of treated areas. Visible decrease of stretch marks in the affected area. The treatment is recommended for all ages.

Ref.: 5344 - Presentation: Pack Antiestrías

## FIRMING KIT

Practical kit comprised of FIRMING CREAM and FRESH GEL, the perfect combination to firm skin flaccidity, reduce volume and cellulite. Decongestant effect. The skin's appearance and texture improve, refirming and moisturising at the same time.

Ref.: 5622 - Presentation: Firming Kit

LEVISSIME has created a highly effective cellulite reducing treatment that favours the elimination of fat, stimulates lymphatic drainage and helps eliminate retained liquid. Results are quickly visible.

### MODELLAGE CREAM

Anti-cellulite cream with a powerful, reducing action. Formulated with vegetable active ingredients for lipolytic action, such as IVY EXTRACT, FUCUS and GUARANA. The action of these extracts is reinforced by CAFFEINE, L- CARNITINE, thereby reducing the body's volume, fat nodes and defining the silhouette. The skin is more uniform and smooth. The orange peel effect disappears.

Ref.: 5390 - Presentation: 200 ml.

Ref.: 5392 - Presentation: 1000 ml.

## TERMAGEL

Gel with a high concentration of anti-cellulite active ingredients that act on edemas, like ASIAN CENTELLA, IVY, HOLLY AND GUARANA EXTRACTS. Fast-absorption formula that does not leave a greasy residue. Produces a heat effect. Indicated for persons without varicose veins; otherwise, apply only in areas without varicose veins.

A much faster reduction of volume is achieved in areas with a greater concentration of cellulite.

Ref.: 5393 - Presentation: 200 ml.

Ref.: 5395 - Presentation: 1000 ml.

## BIOCOMPLEX SEAWEED (Vials)

Excellent anti-cellulite ampoules for a shock treatment. With a high concentration of anti-cellulite active ingredients (L-CARNITINE, CAFFEINE and VEGETABLE EXTRACTS) that combat the most persistent accumulated fat. These vials are ionisable, given the negative pole, and may cause skin to redden.

Several results are obtained: Increase of the lipolysis capacity, decompaction of adipose tissue, acceleration of the reducing and anti-cellulite treatment.

Ref.: 5397 - Presentation: 12 x 10 ml.

## ANTI-CELLULITE PROGRAMME

### COLD FLUID

COLD BANDAGE LIQUID. An exclusive spa treatment, of lipolytic action, that CRYSTALLISED MENTHOL, producing cold on the body and reducing volume.

Helps eliminate cellulite from the first session, resulting in firmer skin.

Ref.: 5396 - Presentation: 500 ml.

### FIT BODY

A gel with a potent formula combining a LIPODRAINING COMPLEX, boosted by the effects of VEGETABLE EXTRACTS and ASIAN CENTELLA, FUCUS and RED GRAPE, that favours the elimination of liquids and burning of fat. Has an anti-oxidant, anti-cellulite and firming effect.

Increases firmness and regeneration of the abdominal area. Improves the skin's microcirculation, hydration and elasticity. Reduces the abdomen, extracellular water and body fat.

Ref.: 5840 - Presentation: 200 ml.

### REMODELLING KIT

Practical kit comprised of MODELLAGE CREAM and THERMAGEL, the perfect combination to reduce body volume and fat nodes. Skin is more uniform, smooth, and without the orange peel effect. A much faster reduction of volume is achieved in areas with a greater concentration of cellulite.

Ref.: 5621 - Presentation: Remodelling Kit

Massages are a relaxing and therapeutic experience, which achieves body-mind harmony.

### MASSAGE BALSAMIC CREAM

This is a balsamic massage cream that invites to total relaxation and activates circulation. It softens the tissues, thereby increasing the effectiveness of the massage. Comprised of VEGETABLE AND MINERAL OILS, it alleviates rheumatic problems. Its CAMPHOR content possesses important properties that stimulate the nervous system, wherefore it is recommended for anti-stress treatments. Recommendable for physio-therapeutic massages.

An overall sensation of rest and relaxation are obtained.

Ref.: 5410 - Presentation: 200 ml.

Ref.: 5412 - Presentation: 1000 ml.

### MASSAGE OIL

Body oil comprises of VEGETABLE OILS (WHEATGERM AND AVOCADO), carefully chosen to facilitate the perfect massage. The ideal oil for rheumatic pain thanks to its VITAMIN E. High power for penetrating, nourishing and regenerating the skin, leaving it soft and smooth. Fragrance-free for combining with essential oils, depending on the treatment to be completed.

Ref.: 5413 - Presentation: 500 ml.

## ARGAN LINE PROGRAMME

### BODY HYDRATION AND NUTRITION L

ARGAN LINE es un ritual de belleza que a través de elementos naturales como el ACEITE DE ARGÁN, el ACEITE DE MACADAMIA y CRISTALES DE AZÚCAR MORENO como partícula exfoliante, aportan los elementos necesarios para conservar la piel luminosa, tonificada y sana.

Innovador por sus productos metamórficos, que cambian de textura durante el ritual.

Indicado para todo tipo de pieles. Ideal para pieles con descamación y secas. En pieles sensibles aporta una mayor protección e hidratación.

## BODY EXFOLIANT

Body exfoliating oily gel. Thanks to its innovative formula comprised of natural active ingredients, it cleanses, oxygenises, moisturises and softens the skin, leaving it radiant and healthy. After applying the product on the skin, spray with ARGAN TONIC. This causes the product to undergo a metamorphic process that converts the gel into a fluid milk for easy removal with a tissue.

Ref.: 5333 - Presentation: 200 ml.

## ARGAN TONIC

Facial tonic, with a formula based on oil extracts and moisturising active ingredients, keeping skin hydrated all day. It provides elasticity, turgidity and tonicity.

Ref.: 5335 - Presentation: 250 ml.

## ARGAN OIL

Potent body oil that is fluid, light, refreshing and ideal for massages. Provides a pleasant sensation for the skin that becomes total relaxation for the senses. Helps regenerate the driest skin areas. Fast-absorption formula that does not leave a greasy residue on the skin.

After applying the product on the skin, spray with ARGAN TONIC to convert the gel into a fluid milk.

Skin is moisturised, recovers its elasticity, is renewed and acquires a natural appearance.

Ref.: 5332 - Presentation: 125 ml.

## HOME SPA BODY PACK

Recommended for all skin types. Ideal for flaky, dry skin. Provides greater protection and hydration for sensitive skin.

For problem-free skin, the treatment is recommended for prevention, as it acts by improving hydration and reducing the skin's micro-layer.

The pack includes:

- BODY EXFOLIANT - 250 ml.
- ARGAN TONIC - 250 ml.
- ARGAN OIL - 125 ml.

Ref.: 5371 - Presentation: Home Spa Body Pack

Our hands, continuously exposed to external aggressions, demand nourishment, hydration and treatment with a product apt for daily use. LEVISSIME makes hands recover their softness and smoothness.

## HAND CREAM WITH RESVERATROL

Formulated with RESVERATROL, a polyphenol found in the RED GRAPE, it provides important properties for the skin's defence mechanisms.

An excellent anti-oxidant, given its VITAMIN A and E content, which combat the skin's premature ageing and fade hand spots. Fast-absorption formula that does not leave a greasy residue.

Recommended for any age, year-round.

Its non-greasy texture is rapidly absorbed, hydrating, nourishing and softening the skin. It also protects against external agents.

Ref.: 4551 - **Presentation:** 100 ml. - Display case 12 units

Ref.: 5619 - **Presentation:** 500 ml.

## NAIL DRYER

Extraordinary, ultra-fast nail dryer. Accelerates the nail polish drying process. Nail polish sets in just a few minutes, while a clear, oil film adds shine, preventing nail polish from being ruined while strengthening the nails.

Ref.: 5386200 - **Presentation:** 300 ml.

# FEET & LEGS PROGRAMME

## HYDRATION AND RELAX FOR FEET AND LEGS

Showing off beautiful feet year-round is now possible with LEVISSIME, which offers a treatment for keeping feet in perfect condition.

The greatest property of its main active ingredient, HARPAGOPHYTUM EXTRACT, is its anti-inflammatory action, notably reducing the sensation of pain.

It is used for intensive repair and hydration of feet that are dry, cracked and have calluses.

## EXFOLIANT CREAM

Contains exfoliating particles of JOJOBA ESTERS that quickly, gently and comfortably exfoliate coarse, thick skin on feet. Its MENTHOL has a refreshing effect, resulting in a sensation of rest and agility.

Feet are hydrated, soft and silk as of the initial application.

Ref.: 5279 - Presentation: 200 ml.

## HARD SKIN CREAM

Reduces hard skin and calluses while intensively hydrating the skin, thanks to the ESSENTIAL OIL COMPLEX of its formula. Day after day, its potent active ingredients visibly improve the texture of the feet's skin.

Ref.: 5280 - Presentation: 200 ml.

## SKIN RELIEF HYDRATING CREAM

Provides a pleasant sensation of rest and freshness for both the feet and the legs. Fast-absorption formula that does not leave a greasy residue. The formula also includes a DEODORANT ACTIVE INGREDIENT that neutralises feet odour.

Skin is regenerated thanks to its ESSENTIAL OIL COMPLEX and BETAINE, smooth and without cracks. Maximum hydration, softness and leaving feet pleasantly relaxed.

Ref.: 5281 - Presentation: 190 ml.

## KIT FEET & LEGS

Recommended for relieving the sensation of heaviness, pain and functional aches of feet and legs.

The pack includes:

- EXFOLIANT CREAM - 200 ml.
- HARD SKIN CREAM - 200 ml.
- SKIN RELIEF HYDRATING CREAM - 190 ml.

Ref.: 5282 - Presentation: Feet & Legs Kit

# FEET & LEGS PROGRAMME

## HYDRATION AND RELAX FOR FEET AND LEGS

### TIRED LEGS SPRAY

Designed for relieving pain, sensation of heaviness and to help improve circulation.

- Reduces telangiectasias
- Minimises swelling
- Improves microcirculation.

Spray several times daily for legs to feel rested, agile and silky. May be applied directly onto pantyhose, as it does not stain.

Ref.: 5374 - **Presentation:** Display case 12 units x 125 ml.

### ACID CREAM

Cream that regulates the skin's PH.

Though a product of the FEET & LEGS line, it is recommended for multiple purposes:

- For foot treatments, apply like a mask, wrapping in osmotic paper during 10 minutes. After the exposure time, remove with plenty of warm water.
- Gradually corrects athlete's foot and combats fungi, thanks to its fungistatic.
- Apply like a mask on any body or facial area when we suffer a skin reaction caused by an active ingredient of any cosmetic product. After the exposure time of 15 minutes, remove with water.
- If skin is very irritated after depilation, extend and massage until fully absorbed.

Ref.: 5429 - **Presentation:** 200 ml.

## POST-DEPIL

Post-depilation, hydrating-calming mousse that offers an anti-irritant action given its combination with ALOE VERA and ALLANTOIN.

It is a complete treatment as it delays hair growth, improves the skin surface's regeneration, calming and softening irritated skin.

It may also be used on very sensitive skin before depilation, given its content of CLOVE ESSENTIAL OIL that acts as a light painkiller, numbing the areas where it is applied, reducing reactions from hypersensitivity.

Ref.: 5620 - Presentation: 300 ml.

## SOLAR LINE

LEVISSIME offers solar products with very pleasant textures to achieve a lasting, uniform tan. Its formula contains an AMINO ACID COMPLEX that results in maximum tanning with minimum sun exposure.

### TAN ACCELERATING EMULSION

Innovative and effective triple-effect tanning accelerator that activates collagen synthesis.

Results in a fast, lasting tan that translates into:

- Maximum tanning
- Minimum exposure

Also acts to moisturise, reconstitute and regenerate the skin.

The result is soft, hydrated skin that tans faster and maintains an intense tan longer.

Ref.: 5973 - Presentation: 250 ml.

### SPECIAL UVA EMULSION

Created specially for use in UVA tanning booths, whether with high or low output devices.

The result is skin that tans faster and maintains an intense tan longer.

Ref.: 5496 - Presentation: 30 sachets x 20 ml.

### AFTER SUN

Calming and repairing cream for skin exposed to the sun. Its formula based on ALOE VERA, PANTHENOL and CHAMOMILE, CALENDULA AND OAT EXTRACTS instantly relieve redness or the burning sensation caused by exposure to the sun. Leaves a sensation of freshness and well-being.

Ref.: 5671 - Presentation: 125 ml.
